WALLS CONSTRUCTION LIMITED
SAFETY AND HEALTH POLICY

Purpose:

Walls Construction Ltd, as a Building Construction Contractor, conducts its business by giving priority to health, safety and welfare at work. We aim to provide a safe place of work, ensure that all works are carried out in a compliant and safe manner and meet our statutory Safety and Health obligations.

Safety & Health Management:

The Managing Director has overall responsibility for ensuring the implementation of Health and Safety within the company. In order to manage and maintain current safety and health practices, we implement and continually improve our ISO 45001:2018 Occupational Health & Safety Management System and endeavour to;

- Evaluate all our health and safety work practices and initiate appropriate control measures to eliminate the hazards and to minimise the safety and health risk.
- Establish and enforce safe systems of work in compliance with legislation and industry best practice.
- Employ and engage health and safety personnel with the skills, qualifications and competence to manage their functions effectively.
- Ensure that the Company, its employees and others take full cognisance of the safety and health implications of all business decision making.
- Maintain a proactive safety culture evident in the Company's recruitment, learning and development, communications and procurement policies.
- Ensure that persons stop work if the task is unsafe, have it re-assessed and put additional control measures put in place.
- Use this policy as a framework to set health and safety objectives.
- Facilitate communication, consultation, participation and discussion with all interested parties (including workers and workers representatives) regarding health and safety work practices and performance.
- Ensure that our sites are managed by experienced and trained personnel, who receive support from management in order to fulfill their health & safety responsibilities.
- Facilitate continual improvement, enhance safety and health performance and assess compliance with the requirements of ISO 45001:2018.
- Ensure that our management team and persons working for and on behalf of the company are fully aware of their health and safety responsibilities through the provision of communication material, training and support.

Walls Construction Ltd shall ensure that this policy is communicated, understood, implemented and maintained by all persons working for and on our behalf. This Policy shall be published internally and posted on our website for public information. The policy will be available to interested parties on request, subject to approval by the HSE Manager.

This Policy shall be reviewed annually.

Eugene O'Shea
Managing Director
