## Quality Policy Statement

### Purpose:

Quality is an integral part of Walls Construction Ltd's business principles and our commitment to building excellence. It guides the actions that lead to the delivery of projects that are managed professionally, efficiently and safely with a clear focus on client satisfaction.

### Aim and Commitment:

The Company is committed to providing the required leadership and resources so that we deliver what we promise. Our Quality Policy is defined and strongly driven by the following management principles and behaviours:

- Delivering Products and Services which meet or exceed our Customers' Expectations
- Developing our System & Process Capability
- Nurturing Employee Excellence
- Building Strong Partnerships with Clients & Interested Parties

The Quality Policy is brought to the attention of all employees, sub-contractors, suppliers and other persons working on behalf of the Company. Companywide quality performance is measured by regular audits and annual reviews. Day to day implementation of the policy is the responsibility of operational management and functional heads, with the Quality Manager responsible for the provision of specialist quality support.

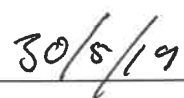

The Company's Quality Management System provides a clear and consistent approach to quality and is implemented at all levels throughout the organisation. It is certified to ISO 9001 and its effectiveness and performance against Company objectives is routinely monitored and reported to the Company Management Team and is reviewed annually as a minimum. The Quality Management System uses ISO 9001 disciplines to develop and maintain the processes required to ensure that construction and project management techniques are of a consistently high standard, in accordance with customer specifications and requirements.
